 **2 for 1 DISCOUNT SPECIAL** 

2 FOR 1 (BRING A FRIEND) DISCOUNT FOR MURPHY CREEK AND KINGS DEER

We wanted to offer a discount to bring more friends to experience the Summit Junior Tour Tournaments. Below is listed on how you can receive a discount for the first two events of the season. This is what you need to do and the restrictions associated with the promotion:

Already signed up for the Murphy Creek or Kings Deer event?

If you have a friend on the fence about participating, then send me an email with both families in the communication about being interested in the 1/2 price deal. The members already registered for the event will receive a credit on their account to use at later events (No refunds), the junior golfer not registered will be registered at 1/2 price.

Not signed up for either event?

If you have two junior golfers that would like to participate, then send me an email with both families in the communication about you be interested in the 1/2 price deal. If both junior golfers are in the same family and want to participate that is eligible as well.

Can I bring the same junior golfer twice?

No - Joe Smith can't bring Jamie to both events. However, if Joe Smith wants to bring Jamie to Murphy Creek and Allen to Kings Deer, then Joe Smith gets 1/2 off both events.

Member and Non-Member pricing will still apply. If Joe Smith is a member, but Joe's guest, Jamie, isn't a member, then this is how the pricing will break down. Joe (member) originally paid \$270 for the Murphy Creek events, then Joe will receive a \$130 credit for a later event. Jamie (non-member) will pay \$147.50 instead of \$295. If Jamie is a member but hadn't registered for the event, then Jamie would only pay \$130 for the Murphy Creek event.

Only Eligible for a friend that is NOT registered already.
